Teams are typically scheduled for photos 30 to 60 minutes before the start of their game. Some U6 teams will only have 20 minutes. After photos are taken, teams often will not have the amount of time for warmup drills that they are used to. Please do your best to keep games running on time.

Please arrive 10 minutes early for check-in with all of your paperwork filled out.

Just as in past years, there is no way to accommodate coaches with multiple teams. Please do your best to help this day function as smoothly as possible.
