The purpose of the Field Volunteer Schedule is to let each team know when they will need to provide the required # of volunteers to help out at the Redlands Soccer Complex. Volunteers will work approximately 2 hour or 2 hour 15 minutes shifts.

Duties of the volunteers will include helping out at the information tent, taking messages to or from fields, or helping close the Redlands Soccer Complex. Other tasks may have you assisting with registration or equipment turn-in, distributing tshirts or trophies, or picking up juice box straw wrappers.

This is a new idea we are trying this year to help create a smooth running operation at the Redlands Soccer Complex. As an incentive, each team that meets their obligation will be given \$10 for use towards their team party.

Please check in at the Information Tent at your assigned time. If you are running a few minutes late because your game is just ending, then no problem. Just come on over and coordinate your work shift with the Board Member on duty at the Information Tent.

Teams from the U6, U8, U10 and VIP Divisions need to supply two (2) volunteers. Teams from U12, U14, U16, and U19 Divisions need to bring three (3) volunteers. (in case anyone is wondering, 2 volunteers for 2 hours is necessary. It does not mean that you can bring over 8 volunteers and announce that they will only need to work for 15 minutes "because it is the same").

We thank everyone in advance for helping make our first full Fall Season at the Redlands Soccer Complex a wonderful experience for everyone.
